install

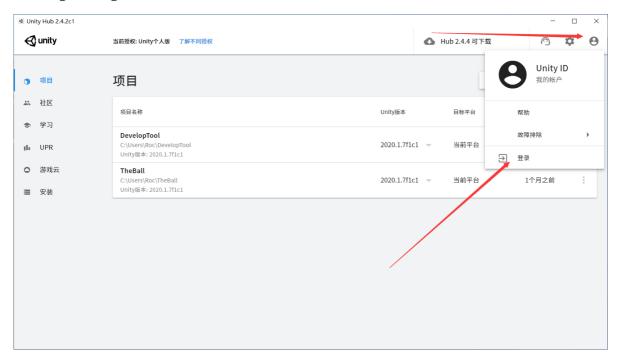

1. Download [UnityHub] (https://unity.cn/releases) and install the registration

所有版本

你好!我们知道您想快速下载并开始使用Unity,这里有所有正式发布的Unity版本,但我们更建议您从安装Unity Hub开始!现在就开始吧!

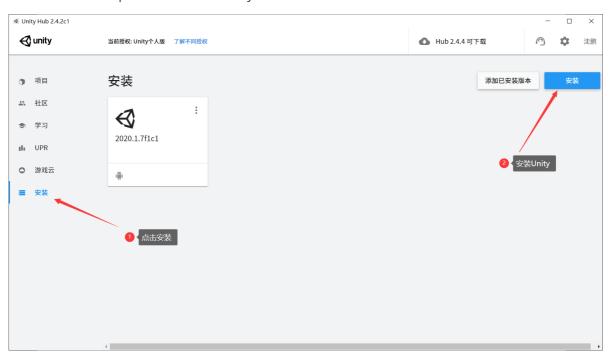

2. Register, log in, activate license

3. Select the required Version of Unity and install it

• Finally, wait for the Unity installation to complete
